

Rest

Rest in the beauty
Rest in the wonder
As time stands still
In the presence of the King

Rest in the beauty
Rest in the wonder
Let the still small voice
Speak once again

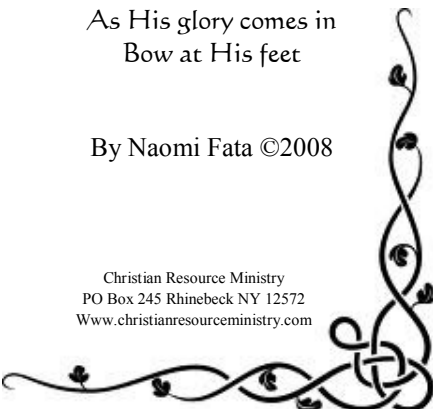

Rest in the beauty
Rest in the wonder
Let your soul drink
Let it be filled

Rest in the beauty
Rest in the wonder
Receive His strength
Accept His grace

Rest in the beauty
Rest in the wonder
As His glory comes in
Bow at His feet
