

Silence

Is silence the greater part of
tranquility?
Do we know how to love before He
teaches us?
Can we serve before He shows us His
perfect will?

If silence sets the stage for fellowship;
What plays upon that stage?

Love: Uncompromising, powerful and
chosen.
Praise: Pure, strong and steadfast.
Service: Selfless, tireless, and deter-
mined.

We are to wait to hear His voice
We are expectant of that still small
voice.
We are to activate every cell in our
body,
Serving Him now and throughout
eternity.

Let us deeply yearn for that
silence.
Silence, the greater part of
tranquility!
