

When You Need A Friend

*When feel like you're at your
wits end
And you're in need of a friend
Know that I am there.*

*When your world is grey
And you can't see the light of
day
Know that I am there.*

*When the tears start to fall
All you need to do is call
And I will be there*

*I will be there for you
With arms open wide
To help you through
And to stand by your side*

*I am your Father in heaven
And love you with all my heart
I have been with you from the
start*
