

*Portrait of Prayer*

A heart lifted  
A heart lived  
Reaching the heavens  
Open communication  
Listening, hearing  
Humbled, resting  
Fully dependent

The focused gaze  
Of the heart  
Continual seeking  
Never ceasing  
Wrestling in Spirit  
Pressing with fervor  
Silent words

Communion  
Our Spirit to His  
Disciplined abiding  
Constant longing  
For His will be done  
Groaning of the Spirit  
A praying life

Author's Note

What do you think of when you  
picture prayer?

Prayer meeting? Hands folded  
on our knees?

Yet I find it to be the groaning  
of the heart's bent toward Him.  
I think of Jesus praying in Luke  
22.
