

Tears

*Tears of pain
Then tears of joy
The first of brokenness
Wrenching the heart
Then when the glorious
morning
Has come to our hearts
We live again
Tears fall to know His grace
Feel His love
Wrapped safe in Him*

*The furnace of pain
Burned us with anguish
Dismantled our lives
Tore us in two
At the Potter's touch
The heart is healed
Molded beautiful
Now made whole
Here with tears of joy
We live again*
